Telling Others About Christ

Depend on the Holy Spirit when you tell others about Christ, and then leave the results to God. Check out Acts 1:8.

Be Ready. Evangelism begins with prayer. Ask God to lead you, and to open doors so that you can share with your friends. Be ready for His “divine appointments.” He will show you the right time to share your faith. Vs.5-6

You “Gotta Care.” Demonstrate Christ’s love. Spend time with them. It is important to see in John 4 that the woman Jesus talked with was racially different than He was. She was from a different religion and was also known to be immoral. But none of these things stopped Jesus from reaching out to her. Vs.7-9

Go Ahead. Talk about spiritual things. Ask good questions like, “Do you ever think about God or spiritual things?” Or, “Have you wondered what life is all about?” Questions open up the door to talk, but remember the key to good questions is good listening. If you are a good listener you will hear the person’s thoughts and needs, and you can turn the conversation to spiritual answers, just as Christ did. Vs.10-15

Tell the Truth. The best way to start is by telling your own story – about how and why you received Christ. Then share how they can receive Him. The Word of God is the only thing that will be effective in bringing people to Christ. A booklet that explains the gospel can be real helpful. You can learn what to say, but share it in a personal manner. Vs.13-26

Expect Results. If God is speaking to a person’s mind and heart, they will recognize the truth when they hear it. Arguments are unnecessary. We just need to explain how they can receive Christ and invite them to do so. Some will respond, others may not be ready. But remember, a lot of students are ready to trust Christ if only someone will tell them how. Jesus told His disciples in John 4, “... open your eyes and look at the fields! They are ripe for harvest.”(NIV) He was talking about people who were spiritually ready to commit their lives to Him. He was also talking about those we are likely to meet at Operation Harvest.

New Wednesday Night Bible Study

The Wednesday Night Bible Study, called "Foundations," got off to a good start this past Wednesday evening with a really good turnout.

This week we will be meeting at the Weiss' home in Deltona. The Study starts at 7:00 p.m.

As we begin our Operation Harvest events, and really discovering what we can do as a body of Christ, we encourage everyone to attend this life changing study. Discover the key that can: strengthen beliefs to change behavior; lessen your day-to-day stress level; increase your security in an insecure world; help you raise your kids with a right perspective on life; and increase your love for and trust in God.

A Brief Overview of "Foundations"

Many Christians today live their lives, plan their schedules, and use their resources completely disconnected from what they say they believe. This spiritual disconnect is the cause of so much of the stress and problems in our lives. Foundations is a fresh, innovative curriculum about the essential truths of the Christian faith and how these truths are to be lived out – in your relationships, your character, and your work. Rather than just teaching doctrinal knowledge, this course shows you how to apply biblical truths and implement them in your everyday life.
